

Texas Department of Criminal Justice

The Texas Department of Criminal Justice (TDCJ) makes every effort to keep our volunteers well informed. Your safety is important to the agency!

To ensure the health and safety of our volunteers, offenders, and employees, the agency has implemented steps to prevent the spread of COVID-19 (Coronavirus). Effective immediately, all volunteer visits will be suspended until further notice.

Certified Volunteer Chaplain's Assistants (CVCA) are asked to contact your local chaplain or administration for details for maintaining services.

All volunteer trainings (statewide, both within and outside of TDCJ facilities) are canceled until further notice. During this time, your volunteer status will not be suspended due to lack of training or retraining.

Please frequent the webpage for any possible updates on the COVID-19 virus.
