

## RECONCILED...with God and each other!

### it takes courage

They've found forgiveness and reconciliation in Jesus Christ. Now our transitional house residents take the next step. They seek out their own families and humbly and willingly engage in very difficult conversations in an attempt to reconcile with their loved ones.

We're thrilled to give this reconciliation report to you, our C.H.A.R.M. family.

- Robert B. has reconciled with his brother and sister.
- John P. has his two sons back in his life.
- Robert S. has reconciled with his son after 20 years of absence.

### growing in life

Another resident, Leon, has been learning some new life skills during his time with C.H.A.R.M.

*I've learned how to pay my bills myself, go grocery shopping, buy my own clothes - stuff I've always had others do for me. I've received my driver's license. And I've been working and have opened up a bank and savings account.*

### reunited in love

But, so much greater than those new life skills was this life-changing accomplishment, a result of Leon's transformational experience with the Lord:

*I've reconciled with my kids and brother and sisters - and also with my ex-wife, which led us to be engaged to be remarried! God has truly worked on me and given me so many blessings. I'm so grateful to have God in my life.*

Leon and his former wife, Minnie, have been reunited in marriage. A few weeks after their wedding, they were both baptized!

Hear more about Leon and Minnie's story in this short video of their baptism.

What a joy it is to share with you these wonderful stories of redemption and reconciliation! Only in God...!

Your donation helps us provide family-style housing for recently released men and women. There they learn how to "do life" as they continue to grow in the Lord. We give them a stable place from which to launch back into society, now free to be the people God created them to be.

Christ's Hope and Reconciliation Ministry (C.H.A.R.M.) ministers to incarcerated men and women and their families. Our mission is to share the hope found only in Jesus Christ and to see souls reconciled to God. As the lives of individuals are transformed, so are their relationships with their families, local church, and communities.
